FOR TALENT

SCENE 01 — HOOK

Visual:

Top-down: a sad, blobby heart in a cup. Hard cut to Mariam pointing at it.

On-screen Text:

Your latte art fails because of THIS

Mariam:

"If your heart looks like a cloud — it's not your hands."

SCENE 02 — MISTAKE 1: MILK TOO HOT

On-screen Text:

1. Milk too hot

B-Roll:

Thermometer close-up hitting 70°C, steam everywhere.

Mariam:

"Stop at 60 degrees. Hotter milk loses the silky foam you need."

SCENE 03 — MISTAKE 2: TOO MUCH FOAM

On-screen Text:

2. Too much foam

B-Roll:

Side view of a jug: thick foam vs glossy 'wet paint' milk, split screen.

Mariam:

"You want wet paint, not a bubble bath. Swirl it till it shines."

SCENE 04 — MISTAKE 3: POURING FROM TOO HIGH

On-screen Text:

3. Pouring from too high

Visual:

Slow motion: jug drops close to the cup, white blooms on the surface.

Mariam:

"Start high to mix, then drop the jug close — that's when the white appears."

Pause.

SCENE 05 — PAYOFF + CTA

Visual:

Perfect heart, slow push-in. Mariam slides the cup to camera.

Mariam:

"Save this, and come practise with me Saturday — link in bio."
